

Manual for Changing Passwords from the Admin Console

1. Go to the address <https://adminconsole.avangenio.com/login>

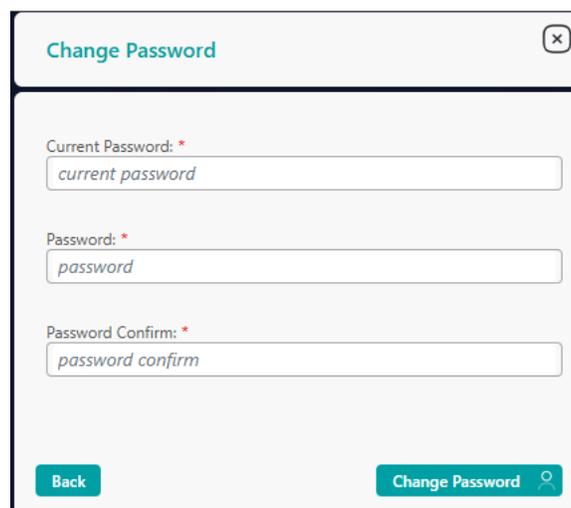

The screenshot shows the login page for the NOS WORK admin console. At the top is the NOS WORK logo. Below it are three input fields: 'User:' with the value 'administrator', 'Password:' with masked characters, and 'Captcha:' which is empty. Below the captcha field is a distorted image of the letters 'R', 'D', 'I', 'Q', 'N' and 'C'. At the bottom is a teal 'Sign in' button.

2. Click on Log In after completing the current data to enter the Noswork workspace and the corresponding captcha.
3. Click on the Change Password button.

Change Password

4. Fill in the fields correctly.

The screenshot shows a 'Change Password' dialog box. It has a title bar with a close button. Inside, there are three input fields: 'Current Password:' with the value 'current password', 'Password:' with the value 'password', and 'Password Confirm:' with the value 'password confirm'. At the bottom, there is a 'Back' button and a 'Change Password' button with a user icon.

5. Click on the Change Password button.
